

HUB HAPPENINGS

It's been a busy fall, visiting college campuses, church missions conferences, and a missions conference organized by the Eastern Pennsylvania Presbytery where our

coordinator, Lloyd Kim, spoke. It's been very encouraging to speak with people from ages 18–68 about how the Lord may be calling them to serve Him globally. Many thanks to Karl and Debbie Dortzbach for their travels on behalf of the hub.

If your church has an interest in organizing a missions conference but isn't sure how, we would love to help.
